

CARE COUNSELING INTAKE FORM

INTRODUCTION

Welcome to the Care Counseling Ministry of Shelter Cove Community Church, where we provide Biblically-based, Christ-centered, pastoral/lay counseling, as we refer to God's word to address many of life's challenges common to man.

Our team of Care Counselors consists of Shelter Cove Staff Counselors and Volunteer Lay Counselors. Shelter Cove Staff Counselors are licensed or ordained ministers and have received formal pastoral counseling training. All care counselors give counsel under the guidance of our staff counselors and receive routine training.

Positive change is the essential goal in our counseling process. Our desire is to reveal God's will for true personal heart change in the midst of one's circumstances through a renewal of attitude, thought and action. During this discipleship process, our care counselors will look to the Holy Spirit as the only agent of individual change, as we facilitate a fundamental foundation for those who truly choose to seek a relationship with Christ and implement His instruction in their lives.

We pray this ministry will be a blessing to you. Love because of Christ,

Pastor Bob Irwin
Pastor of Care Counseling
