

## Youth With A Mission

The YWAM Ensenada campus is nestled on the coast of Baja California, Mexico. Ensenada is just an hour and a half south of the U.S. border. The base has 200 beds that are always full of Mission Adventure or Homes of Hope participants.

The city of Ensenada has a variety of unique ministry opportunities for those wanting hands-on involvement in a short-term mission trip. Our staff network with local churches and Christian organizations to provide outreach and evangelistic opportunities for MA groups.

Mission Adventures is a life-changing, short-term mission trip experience for junior high and high school students. If you participate in Mission Adventures, you'll not only see God change the lives of those you minister to, but you'll see Him transform your own life too.

We have been going to the YWAM Ensenada base for 10 years where students and leaders have had the opportunity to minister to people and churches in the community as well as build homes for families in need. We feel very confident in the staff at the Ensenada base and are looking forward to another year serving in Ensenada.
