The Fate of Israel's Enemies
(Ezekiel 38-39)

The historic animosity between Jews and Arabs began with Abraham's attempt to _____ the _____ . (Gen. 16:1-16; 21:1-3; 9-21;).

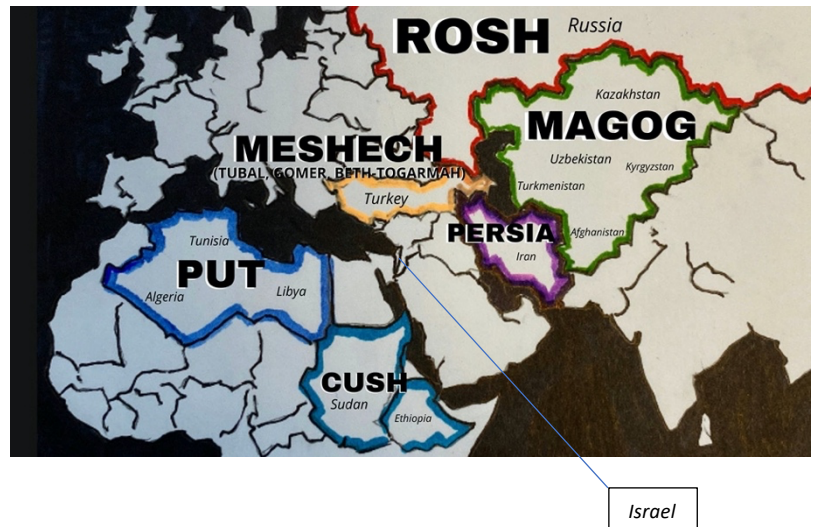

This animosity has been magnified by _____ .

The Bible is not anti-Arab. However...

In Ezekiel 38:1-6, we are introduced to a coalition of nations who come armed against Israel with swords, shields, and horses. The explanation of such primitive-sounding armaments:

 - The nations following Gog
1. *Rosh-*
 2. *Magog-*
 3. *Meshech, Tubal, Gomer, Bethtogarmah-*
 4. *Persia-*
 5. *Cush-*
 6. *Put-*

What do you notice about these nations?

THE SCENE (Ezekiel 38:1-13)

Ezekiel 38:9-10 sounds like an _____ .

“Unwalled villages” (vv.10-11) refers to:

We can identify the “people... gathered from the nations” (v.12) as _____ . What makes them a target?

Verse 13 may well reflect:

2. _____ (v.21; Judges7:17-23)

All of this will be God’s _____ in the affairs of men.

God will destroy the Islamo-fascists and Russians, not only those on the _____, but those who _____ (Ezekiel 39:6). How will He do this?

God may well be using the Gog-Magog invasion to once and for all _____ the _____ of Israel.

THE TIMING (Ezekiel 38:8)

Israel has been attacked many times in history. Could this prophecy refer to an invasion that has occurred since Ezekiel’s day?

“Latter years” in Ezekiel 38:8 refers to:

Ezekiel 39:9-10: After the battle, Israel will burn the plunder for:

Why is this length of time important?

The seven years burning the plunder of God *must* be spent *before*:

It *could* be:

Ezekiel 39:11-16: How long will it take to bury the bodies of Gog’s forces?

THE REASON

Why will God destroy the Russo-Islamo-Fascist invaders?

- Because they’re against _____ and _____.
- So _____ and the _____ will recognize God’s _____ and _____ (Ezekiel 38:16, 23; 39:6-7; 22, 28)
